

JULIA ANN WATSON

Juli was born and raised in Colorado Springs and moved to the Wood River Valley in 1981, where she is a highly respected and regarded Medical Professional. She is a Certified Registered Nurse Practitioner in Women's Health working for St. Luke's Family Medicine. She has served with the Association of Women's Health Obstetrics and Neonatal Nurses and has also lent her talents to teaching various classes for Blaine County, Wood River Medical Center and the middle and high schools of Wood River.

In addition to her success in the medical field, her board work with Expedition Inspiration has been invaluable to the organization. She represents and speaks about Expedition Inspiration throughout the community and has served as co-chair on Board events.

Juli is the mother of two, Rachel and Cooper. With her family, Juli enjoys travel, camping, boating, hiking, and skiing. She enjoys her practice in Women's Health Care.
