

Tracy Kasper

Tracy Kasper is one of the owners and Associate Broker of Silverhawk Realty. As a woman in business, Tracy has insight on how to balance work and family, how to rise above the crowd and still find time to give back.

Tracy is a mom/step-mom of six boys and 1 girl—ranging in ages from 10 to 20 years old. Juggling many schedules, activities, outings and a full-time career can be rewarding—and exhausting. Tracy accomplishes all of that, and then spends many extra hours on civic and industry boards and councils, charitable fundraising committees, and finding ways to better the community around her.

Some of her business and civic activities include working with numerous Realtor boards and committees both on a local and state level, Building and Contractor boards, Caldwell & Nampa Chambers, Caldwell Planning & Zoning Commission, the Syringa House, and the Caldwell YMCA. Her honors include Nampa Association Realtor of the Year in 2001, Snake River Valley Building Contractor's Association Member of the Year in 2000, and Snake River Valley Building Contractor's Association Affiliate of the Year in 1999.

Tracy is married to popular radio host, Mike Kasper, with MIX106's "Mike and Kate in the Morning" program. Mike's 3 sons, and Tracy's 3 sons and daughter make up their family which brings many tales and stories of how to raise a successful "blended" family.
